

Van Elle continue to commit to achieving the highest standards with regards to quality in all aspects of its activities. As the UK's largest Geotechnical, Piling and Foundation Engineering Contractors, it is our intention to be at the forefront of our industry, sustaining long term profitable growth by providing quality products and services to our customers supported by an exceptional level of customer focus.

The Management Team will demonstrate leadership and commitment in fulfilling their responsibilities for ensuring the requirements of the integrated management system are established, implemented and maintained throughout the activities for which they are responsible.

Van Elle undertake to ensure that quality is the aim of all members of the organisation through appropriate communication, instruction, practical example, engagement, training and supervision. It is essential that each employee has a clear understanding of the importance of quality, as part of the Integrated Management System, and its direct relevance to the success of the company.

Every manager is responsible for ensuring that employees under their direction have the necessary competences to perform their tasks effectively and confidently thereby ensuring maximum participation and job satisfaction, and will request additional training, assistance or guidance is provided as required.

Van Elle has a policy of continual improvement and setting of Quality objectives in line with the framework of the ISO 9001:2015 standard. These objectives, determined by top management and cascaded through the business, address the organisational risks and opportunities.

The organisation will ensure that the products or services of external providers', that we employ for a particular function will meet the industry specified requirements and accept the responsibility for their work and for all items they bring to site.

The CEO is ultimately responsibility for ensuring that the Integrated Management System, the policies, procedures and systems in use by Van Elle meet the requirements of ISO 9001 : 2015. They direct the senior management to monitor, measure, evaluate and continually improve the IMS and report on its ongoing applicability and effectiveness.

Signed

Mark Cutler - Chief Executive Officer
